

What can I do to help?

Caring Connections is proud to offer this service
FREE to LIVE Partners and NHPCO members!

Specifically designed to organize caregiver helpers

Easy-to-use, private group calendar

Private and personal

Help caregivers get rest and support

Caring Connections and Lotsa Helping Hands have partnered together to provide a web-based resource for friends, family, colleagues and neighbors to assist caregivers in need. Assist a caregiver with the many tasks they are juggling by setting up an online helper calendar. You can volunteer for any number of errands or events, check your current commitments and have reminders emailed to you.
