Advance Directive

Planning for Important Healthcare Decisions

Courtesy of CaringInfo

www.caringinfo.org

CaringInfo, a program of the National Alliance for Care at Home (the Alliance), is a national consumer engagement initiative to improve care and the experience of caregiving during serious illness and at the end of life. As part of that effort, CaringInfo provides detailed guidance for completing advance directive forms in all 50 states, the District of Columbia, and Puerto Rico.

This package includes:

- Instructions for preparing your advance directive. Please read all the instructions.
- Your state-specific advance directive forms, which are the pages with the gray instruction bar on the left side.

BEFORE YOU BEGIN

Check to be sure that you have the materials for each state in which you may receive healthcare. Because documents are state-specific, having a state-specific document for each state where you may spend significant time can be beneficial. A new advance directive is not necessary for ordinary travel into other states. The advance directives in this package will be legally binding only if the person completing them is a competent adult who is 18 years of age or older, or an emancipated minor.

ACTION STEPS

1. You may want to photocopy or print a second set of these forms before you start so you will have a clean copy if you need to start over.
2. When you begin to fill out the forms, refer to the gray instruction bars — they will guide you through the process.
3. Talk with your family, friends, and physicians about your advance directive. Be sure the person you appoint to make decisions on your behalf understands your wishes.
4. Once the form is completed and signed, photocopy, scan, or take a photo of the form and give it to the person you have appointed to make decisions on your behalf, your family, friends, healthcare providers, and/or faith leaders so that the form is available in the event of an emergency.

Copyright © 2005 National Alliance for Care at Home. All rights reserved. Revised 2023. Reproduction and distribution by an organization or organized group without the written permission of the National Alliance for Care at Home is expressly forbidden.

5. You may also want to save a copy of your form in your electronic healthcare record, or an online personal health records application, program, or service that allows you to share your medical documents with your physicians, family, and others who you want to take an active role in your advance care planning.

INTRODUCTION TO YOUR OHIO ADVANCE HEALTH CARE DIRECTIVE

This packet contains a legal document, an **Ohio Advance Health Care Directive**, that protects your right to refuse medical treatment you do not want, or to request treatment you do want, in the event you lose the ability to make decisions yourself.

Your Ohio Advance Directive has two legal documents, the **Ohio Durable Power of Attorney for Health Care** and the **Ohio Living Will Declaration**, as well as an **Organ Donation Enrollment** form. You may complete one or both of the two legal documents, depending on your advance planning needs. You only need to complete the Donor Registry Enrollment form if you have NOT already registered as a donor with the Ohio Bureau of Motor Vehicles.

How do I make my Ohio Durable Power of Attorney for Health Care and/or Ohio Living Will Declaration legal?

You must sign and date your advance directive or direct an adult to do so for you if you are unable to sign it yourself.

Your signature must be either

- witnessed before a notary public or
- witnessed by two adult who are not:
 - Related to you,
 - Your doctor,
 - The administrator of the nursing home in which you are receiving care,
 - You agent (in the case of the Durable Power of Attorney for Health Care)

Whom should I appoint as my agent?

Your agent is the person you appoint to make decisions about your healthcare if you become unable to make those decisions yourself. Your agent may be a family member or a close friend whom you trust to make serious decisions. The person you name as your agent should clearly understand your wishes and be willing to accept the responsibility of making healthcare decisions for you. Your agent cannot be:

- Your doctor;
- An administrator of a nursing home in which you are receiving care;
- An employee or agent of your doctor or your treating healthcare facility, unless he or she is related to you or is a member of your religious order (you are both monks, nuns, priests, etc.)
- A person you have a civil or criminal protective order against; or
- A person that you currently divorcing or from whom you are legally separated.

You can appoint a second and third person as your alternate agents. An alternate agent will step in if the person(s) you name as agent is/are unable, unwilling, or unavailable to act for you.

Should I add personal instructions to my advance directive?

Yes! One of the most important reasons to execute an advance directive is to have your voice heard. When you name an agent and clearly communicate to them what you want and don't want, they are in the strongest position to advocate for you. Because the future is unpredictable, be careful that you do not unintentionally restrict your agent's power to act in your best interest. Be especially careful with the words "always" and "never." In any event, be sure to talk with your agent and others about your future healthcare and describe what you consider to be an acceptable "quality of life."

When does my agent's authority become effective?

Your Ohio Durable Power of Attorney for Health Care (agent) only becomes effective when your doctor determines that you have lost the capacity to make informed healthcare decisions for yourself.

Your Ohio Living will Declaration only becomes effective when your doctor determines that you have lost the capacity to make informed healthcare decisions for yourself and you are terminally ill or you are permanently unconscious. Any written instructions that you provide must be followed by your agent. You retain the primary authority for your healthcare decisions as long as you are able to make your wishes known.

Agent Limitations

Your agent, if you appoint one, does not have authority to authorize removal or artificial life support unless you are determined to have a terminal condition.

Your agent will be bound by the current laws of Ohio as they regard pregnancy and termination of pregnancies.

What if I change my mind?

You may revoke your Ohio Durable Power of Attorney for Health Care and/or Living Will Declaration at any time and in any manner. Your revocation becomes effective once your doctor receives notification of your revocation. If you execute a new advance directive, it will revoke the old advance directive to the extent of any conflict between the two documents.

Mental Health Issues

These forms do not *expressly* address mental illness, although you can state your wishes and grant authority to your agent regarding mental health issues. The National Resource Center on Psychiatric Advance Directives maintains a website (<https://nrc-pad.org/>) with links to each state's psychiatric advance directive forms. If you would like to make more detailed advance care plans regarding mental illness, you could talk to your physician and an attorney about a durable power of attorney tailored to your needs.

What other important facts should I know?

Your agent, if you appoint one, may make decisions about life-sustaining treatment only if you are terminally ill or permanently unconscious.

Before your agent can consent to the withholding or withdrawal of artificial nutrition and hydration on your behalf, you must check and initial the statement printed in bold letters on page 6 of the Ohio Durable Power of Attorney for Health Care.

Your agent does not have authority to refuse or withdraw care necessary to provide comfort care.

At the end of the Ohio Durable Power of Attorney for Health Care are several pages that the state of Ohio requires and that should be read before executing the document.

Be aware that your advance directive will not be effective in the event of a medical emergency, except to identify your agent. Ambulance and hospital emergency department personnel are required to provide cardiopulmonary resuscitation (CPR) unless you have a separate physician's order, which are typically called "prehospital medical care directives" or "do not resuscitate orders." DNR forms may be obtained from your state health department or department of aging (<https://www.hhs.gov/aging/state-resources/index.html>). Another form of orders regarding CPR and other treatments are state-specific POLST (portable orders for life sustaining treatment) (<https://polst.org/form-patients/>). Both a POLST and a DNR form **MUST** be signed by a healthcare provider and **MUST** be presented to the emergency responders when they arrive. These directives instruct ambulance and hospital emergency personnel not to attempt CPR (or to stop it if it has begun) if your heart or breathing should stop.

This is my Health Care Power of Attorney. I revoke all prior Health Care Powers of Attorney signed by me. I understand the nature and purpose of this document. If any provision is found to be invalid or unenforceable, it will not affect the rest of this document.

I understand that my agent can make health care decisions for me only whenever my attending physician has determined that I have lost the capacity to make informed health care decisions. However, this does not require or imply that a court must declare me incompetent.

Definitions

DEFINITIONS

Adult means a person who is 18 years of age or older.

Agent or attorney-in-fact means a competent adult who a person (the “principal”) can name in a Health Care Power of Attorney to make health care decisions for the principal.

Artificially or technologically supplied nutrition or hydration means food and fluids provided through intravenous or tube feedings. [You can refuse or discontinue a feeding tube or authorize your Health Care Power of Attorney agent to refuse or discontinue artificial nutrition or hydration.]

Bond means an insurance policy issued to protect the ward’s assets from theft or loss caused by the Guardian of the Estate’s failure to properly perform his or her duties.

Comfort care means any measure, medical or nursing procedure, treatment or intervention, including nutrition and/or hydration, that is taken to diminish a patient’s pain or discomfort, but not to postpone death.

DEFINITIONS

CPR means cardiopulmonary resuscitation, one of several ways to start a person's breathing or heartbeat once either has stopped. It does not include clearing a person's airway for a reason other than resuscitation.

Do Not Resuscitate or DNR Order means a physician's medical order that is written into a patient's record to indicate that the patient should not receive cardiopulmonary resuscitation.

Guardian means the person appointed by a court through a legal procedure to make decisions for a ward. A **Guardianship** is established by such court appointment.

Health care means any care, treatment, service or procedure to maintain, diagnose or treat an individual's physical or mental health.

Health care decision means giving informed consent, refusing to give informed consent, or withdrawing informed consent to health care.

Health Care Power of Attorney means a legal document that lets the principal authorize an agent to make health care decisions for the principal in most health care situations when the principal can no longer make such decisions. Also, the principal can authorize the agent to gather protected health information for and on behalf of the principal immediately or at any other time. A Health Care Power of Attorney is NOT a financial power of attorney.

The Health Care Power of Attorney document also can be used to nominate person(s) to act as guardian of the principal's person or estate. Even if a court appoints a guardian for the principal, the Health Care Power of Attorney remains in effect unless the court rules otherwise.

Life-sustaining treatment means any medical procedure, treatment, intervention or other measure that, when administered to a patient, mainly prolongs the process of dying.

Living Will Declaration means a legal document that lets a competent adult ("declarant") specify what health care the declarant wants or does not want when he or she becomes terminally ill or permanently unconscious and can no longer make his or her wishes known. It is NOT and does not replace a will, which is used to appoint an executor to manage a person's estate after death.

**OHIO DURABLE POWER OF ATTORNEY FOR HEALTH CARE
– PAGE 3 OF 18**

Permanently unconscious state means an irreversible condition in which the patient is permanently unaware of himself or herself and surroundings. At least two physicians must examine the patient and agree that the patient has totally lost higher brain function and is unable to suffer or feel pain.

Principal means a competent adult who signs a Health Care Power of Attorney.

Terminal condition means an irreversible, incurable, and untreatable condition caused by disease, illness, or injury from which, to a reasonable degree of medical certainty as determined in accordance with reasonable medical standards by a principal's attending physician and one other physician who has examined the principal, both of the following apply: (1) there can be no recovery and (2) death is likely to occur within a relatively short time if life-sustaining treatment is not administered.

Ward means the person the court has determined to be incompetent. The ward's person, financial estate, or both, is protected by a guardian the court appoints and oversees.

Limitations of Agent's Authority. I understand there are limitations to the authority of my agent under Ohio law:

1. My agent does not have authority to refuse or withdraw informed consent to health care necessary to provide comfort care.
2. My agent does not have the authority to refuse or withdraw informed consent to health care if I am pregnant, if the refusal or withdrawal of the health care would terminate the pregnancy, unless the pregnancy or the health care would pose a substantial risk to my life, or unless my attending physician and at least one other physician to a reasonable degree of medical certainty determines that the fetus would not be born alive.
3. My agent cannot order the withdrawal of life---sustaining treatment, including artificially or technologically supplied nutrition or hydration, unless I am in a terminal condition or in a permanently unconscious state and two physicians have determined that life---sustaining treatment would not or would no longer provide comfort to me or alleviate my pain.
4. If I previously consented to any health care, my agent cannot withdraw that treatment unless my condition has significantly changed so that the health care is significantly less beneficial to me, or unless the health care is not achieving the purpose for which I chose the health care.

NOMINATION OF GUARDIAN

[You may, but are not required to, use this document to nominate a guardian, should guardianship proceedings be started, for your person or your estate.]

I understand that any person I nominate is not required to accept the duties of guardianship, and that the probate court maintains jurisdiction over any guardianship.

I understand that the court will honor my nominations except for good cause shown or disqualification.

I understand that, if a **guardian of the person** is appointed for me, such guardian's duties would include making day-to-day decisions of a personal nature on my behalf, such as food, clothing, and living arrangements, but this or any subsequent Health Care Power of Attorney would remain in effect and control health care decisions for me, unless determined otherwise by the court. The court will determine limits, suspend or terminate this or any subsequent Health Care Power of Attorney, if they find that the limitation, suspension or termination is in my best interests.

I intend that the authority given to my agent in my Health Care Power of Attorney will eliminate the need for any court to appoint a guardian of my person. However, should such proceedings start, I nominate the person(s) below in the order listed as **guardian of my person**.

By writing my initials, signature, a check mark or other mark on this line, I nominate my agent and alternate agent(s), if any, to be **guardian of my person**, in the order named above.

If I do not choose my agent or an alternate agent to be the **guardian of my person**, I choose the following person(s), in this order:

Guardian of the estate means the person appointed by a court to make financial decisions on behalf of the ward, with the court's involvement. The guardian of the estate is required to be bonded, unless bond is waived in writing or the court finds it unnecessary.

By placing my initials, signature, check or other mark on this line, I nominate my agent or alternate agent(s), if any, as **guardian of my estate**, in the order named above.

If I do not choose my agent or an alternate agent to be the **guardian of my estate**, I choose the following person(s), in this order:

Guardian of my estate's name and relationship: _____

Notice to Adult Executing this Document

This is an important legal document. Before executing this document, you should know these facts:

This document gives the person you designate (the agent) the power to make MOST health care decisions for you if you lose the capacity to make informed health care decisions for yourself. This power is effective only when your attending physician determines that you have lost the capacity to make informed health care decisions for yourself and, notwithstanding this document, as long as you have the capacity to make informed health care decisions for yourself, you retain the right to make all medical and other health care decisions for yourself.

You may include specific limitations in this document on the authority of the agent to make health care decisions for you.

Subject to any specific limitations you include in this document, if your attending physician determines that you have lost the capacity to make an informed decision on a health care matter, the agent **GENERALLY** will be authorized by this document to make health care decisions for you to the same extent as you could make those decisions yourself, if you had the capacity to do so. The authority of the agent to make health care decisions for you **GENERALLY** will include the authority to give informed consent, to refuse to give informed consent, or to withdraw informed consent to any care, treatment, service, or procedure to maintain, diagnose, or treat a physical or mental condition.

HOWEVER, even if the agent has general authority to make health care decisions for you under this document, the agent **NEVER** will be authorized to do any of the following:

(1) Refuse or withdraw informed consent to life-sustaining treatment (unless your attending physician and one other physician who examines you determine, to a reasonable degree of medical certainty and in accordance with reasonable medical standards, that either of the following applies:

(a) You are suffering from an irreversible, incurable, and untreatable condition caused by disease, illness, or injury from which (i) there can be no recovery and (ii) your death is likely to occur within a relatively short time if life-sustaining treatment is not administered, and your attending physician additionally determines, to a reasonable degree of medical certainty and in accordance with reasonable medical standards, that there is no reasonable possibility that you will regain the capacity to make informed health care decisions for yourself

(b) You are in a state of permanent unconsciousness that is characterized by you being irreversibly unaware of yourself and your environment and by a total loss of cerebral cortical functioning, resulting in you having no capacity to experience pain or suffering, and your attending physician additionally determines, to a reasonable degree of medical certainty and in accordance with reasonable medical standards, that there is no reasonable possibility that you will regain the capacity to make informed health care decisions for yourself);

(2) Refuse or withdraw informed consent to health care necessary to provide you with comfort care (except that, if the agent is not prohibited from doing so under (4) below, the agent could refuse or withdraw informed consent to the provision of nutrition or hydration to you as described under (4) below). (YOU SHOULD UNDERSTAND THAT COMFORT CARE IS DEFINED IN OHIO LAW TO MEAN ARTIFICIALLY OR TECHNOLOGICALLY ADMINISTERED SUSTENANCE (NUTRITION) OR FLUIDS (HYDRATION) WHEN ADMINISTERED TO DIMINISH YOUR PAIN OR DISCOMFORT, NOT TO POSTPONE YOUR DEATH, AND ANY OTHER MEDICAL OR NURSING PROCEDURE, TREATMENT, INTERVENTION, OR OTHER MEASURE THAT WOULD BE TAKEN TO DIMINISH YOUR PAIN OR DISCOMFORT, NOT TO POSTPONE YOUR DEATH. CONSEQUENTLY, IF YOUR ATTENDING PHYSICIAN WERE TO DETERMINE THAT A PREVIOUSLY DESCRIBED MEDICAL OR NURSING PROCEDURE, TREATMENT, INTERVENTION, OR OTHER MEASURE WILL NOT OR NO LONGER WILL SERVE TO PROVIDE COMFORT TO YOU OR ALLEVIATE YOUR PAIN, THEN, SUBJECT TO (4) BELOW, YOUR AGENT WOULD BE AUTHORIZED TO REFUSE OR WITHDRAW INFORMED CONSENT TO THE PROCEDURE, TREATMENT, INTERVENTION, OR OTHER MEASURE.);

(3) Refuse or withdraw informed consent to health care for you if you are pregnant and if the refusal or withdrawal would terminate the pregnancy (unless the pregnancy or health care would pose a substantial risk to your life, or unless your attending physician and at least one other physician who examines you determine, to a reasonable degree of medical certainty and in accordance with reasonable medical standards, that the fetus would not be born alive);

(4) REFUSE OR WITHDRAW INFORMED CONSENT TO THE PROVISION OF ARTIFICIALLY OR TECHNOLOGICALLY ADMINISTERED SUSTENANCE (NUTRITION) OR FLUIDS (HYDRATION) TO YOU, UNLESS:

(A) YOU ARE IN A TERMINAL CONDITION OR IN A PERMANENTLY UNCONSCIOUS STATE.

**OHIO DURABLE POWER OF ATTORNEY FOR HEALTH CARE
– PAGE 16 OF 18**

(B) YOUR ATTENDING PHYSICIAN AND AT LEAST ONE OTHER PHYSICIAN WHO HAS EXAMINED YOU DETERMINE, TO A REASONABLE DEGREE OF MEDICAL CERTAINTY AND IN ACCORDANCE WITH REASONABLE MEDICAL STANDARDS, THAT NUTRITION OR HYDRATION WILL NOT OR NO LONGER WILL SERVE TO PROVIDE COMFORT TO YOU OR ALLEVIATE YOUR PAIN.

(C) IF, BUT ONLY IF, YOU ARE IN A PERMANENTLY UNCONSCIOUS STATE, YOU AUTHORIZE THE AGENT TO REFUSE OR WITHDRAW INFORMED CONSENT TO THE PROVISION OF NUTRITION OR HYDRATION TO YOU BY DOING BOTH OF THE FOLLOWING IN THIS DOCUMENT:

(I) INCLUDING A STATEMENT IN CAPITAL LETTERS OR OTHER CONSPICUOUS TYPE, INCLUDING, BUT NOT LIMITED TO, A DIFFERENT FONT, BIGGER TYPE, OR BOLDFACE TYPE, THAT THE AGENT MAY REFUSE OR WITHDRAW INFORMED CONSENT TO THE PROVISION OF NUTRITION OR HYDRATION TO YOU IF YOU ARE IN A PERMANENTLY UNCONSCIOUS STATE AND IF THE DETERMINATION THAT NUTRITION OR HYDRATION WILL NOT OR NO LONGER WILL SERVE TO PROVIDE COMFORT TO YOU OR ALLEVIATE YOUR PAIN IS MADE, OR CHECKING OR OTHERWISE MARKING A BOX OR LINE (IF ANY) THAT IS ADJACENT TO A SIMILAR STATEMENT ON THIS DOCUMENT;

(II) PLACING YOUR INITIALS OR SIGNATURE UNDERNEATH OR ADJACENT TO THE STATEMENT, CHECK, OR OTHER MARK PREVIOUSLY DESCRIBED.

(D) YOUR ATTENDING PHYSICIAN DETERMINES, IN GOOD FAITH, THAT YOU AUTHORIZED THE AGENT TO REFUSE OR WITHDRAW INFORMED CONSENT TO THE PROVISION OF NUTRITION OR HYDRATION TO YOU IF YOU ARE IN A PERMANENTLY UNCONSCIOUS STATE BY COMPLYING WITH THE REQUIREMENTS OF (4)(C)(I) AND (II) ABOVE.

(5) Withdraw informed consent to any health care to which you previously consented, unless a change in your physical condition has significantly decreased the benefit of that health care to you, or unless the health care is not, or is no longer, significantly effective in achieving the purposes for which you consented to its use.

THIS NOTICE IS INCLUDED IN THIS PRINTED FORM AS REQUIRED BY OHIO REVISED CODE §1337.17.

Additionally, when exercising authority to make health care decisions for you, the agent will have to act consistently with your desires or, if your desires are unknown, to act in your best interest. You may express your desires to the agent by including them in this document or by making them known to the agent in another manner.

When acting pursuant to this document, the agent GENERALLY will have the same rights that you have to receive information about proposed health care, to review health care records, and to consent to the disclosure of health care records. You can limit that right in this document if you so choose.

Generally, you may designate any competent adult as the agent under this document. However, you CANNOT designate your attending physician or the administrator of any nursing home in which you are receiving care as the agent under this document. Additionally, you CANNOT designate an employee or agent of your attending physician, or an employee or agent of a health care facility at which you are being treated, as the agent under this document, unless either type of employee or agent is a competent adult and related to you by blood, marriage, or adoption, or unless either type of employee or agent is a competent adult and you and the employee or agent are members of the same religious order. Finally, a person you designate as an agent may lose their authority to act as your agent if there is a civil or criminal protective order against them that names you as the alleged victim, or if the agent is your spouse and you are currently going through a divorce or legal separation at the time of your incapacity.

This document has no expiration date under Ohio law, but you may choose to specify a date upon which your durable power of attorney for health care generally will expire. However, if you specify an expiration date and then lack the capacity to make informed health care decisions for yourself on that date, the document and the power it grants to your agent will continue in effect until you regain the capacity to make informed health care decisions for yourself.

You have the right to revoke the designation of the agent and the right to revoke this entire document at any time and in any manner. Any such revocation generally will be effective when you express your intention to make the revocation. However, if you made your attending physician aware of this document, any such revocation will be effective only when you communicate it to your attending physician, or when a witness to the revocation or other health care personnel to whom the revocation is communicated by such a witness communicate it to your attending physician.

**STATE OF OHIO LIVING
WILL DECLARATION**

Notice to Declarant

The purpose of this Living Will Declaration is to document your wish that life-sustaining treatment, including artificially or technologically supplied nutrition and hydration, be withheld or withdrawn if you are unable to make informed medical decisions and are in a terminal condition or in a permanently unconscious state. This Living Will Declaration does not affect the responsibility of health care personnel to provide comfort care to you. Comfort care means any measure taken to diminish pain or discomfort, but not to postpone death.

NOTICE

If you would not choose to limit any or all forms of life-sustaining treatment, including CPR, you have the legal right to so choose and may wish to state your medical treatment preferences in writing in a different document.

Under Ohio law, a Living Will Declaration is applicable **only to individuals in a terminal condition or a permanently unconscious state**. If you wish to direct medical treatment in other circumstances, you should prepare a Health Care Power of Attorney. If you are in a terminal condition or a permanently unconscious state, this Living Will Declaration takes precedence over a Health Care Power of Attorney.

You should consider completing a new Living Will Declaration if your medical condition changes or if you later decide to complete a Health Care Power of Attorney. If you have both a Living Will Declaration and a Health Care Power of Attorney, you should keep copies of these documents together. Bring your document(s) with you whenever you are a patient in a health care facility or when you update your medical records with your physician.

This is my Living Will Declaration. I revoke all prior Living Will Declarations signed by me. I understand the nature and purpose of this document. If any provision is found to be invalid or unenforceable, it will not affect the rest of this document.

I am of sound mind and not under or subject to duress, fraud or undue influence. I am a competent adult who understands and accepts the consequences of this action. I voluntarily declare my direction that my dying not be artificially prolonged.

I intend that this Living Will Declaration will be honored by my family and physicians as the final expression of my legal right to refuse certain health care.

DEFINITIONS

Definitions

Adult means a person who is 18 years of age or older.

Agent or attorney-in-fact means a competent adult who a person (the "principal") can name in a Health Care Power of Attorney to make health care decisions for the principal.

Artificially or technologically supplied nutrition or hydration means food and fluids provided through intravenous or tube feedings. [You can refuse or discontinue a feeding tube or authorize your Health Care Power of Attorney agent to refuse or discontinue artificial nutrition or hydration.]

Comfort care means any measure, medical or nursing procedure, treatment or intervention, including nutrition and/or hydration, that is taken to diminish a patient's pain or discomfort, but not to postpone death.

CPR means cardiopulmonary resuscitation, one of several ways to start a person's breathing or heartbeat once either has stopped. It does not include clearing a person's airway for a reason other than resuscitation.

DEFINITIONS

Declarant means the person signing the Living Will Declaration.

Do Not Resuscitate or DNR Order means a physician's medical order that is written into a patient's record to indicate that the patient should not receive cardiopulmonary resuscitation.

Health care means any care, treatment, service or procedure to maintain, diagnose or treat an individual's physical or mental health.

Health care decision means giving informed consent, refusing to give informed consent, or withdrawing informed consent to health care.

Health Care Power of Attorney means a legal document that lets the principal authorize an agent to make health care decisions for the principal in most health care situations when the principal can no longer make such decisions. Also, the principal can authorize the agent to gather protected health information for and on behalf of the principal immediately or at any other time. A Health Care Power of Attorney is NOT a financial power of attorney.

The Health Care Power of Attorney document also can be used to nominate person(s) to act as guardian of the principal's person or estate. Even if a court appoints a guardian for the principal, the Health Care Power of Attorney remains in effect unless the court rules otherwise.

Life-sustaining treatment means any medical procedure, treatment, intervention or other measure that, when administered to a patient, mainly prolongs the process of dying.

Living Will Declaration means a legal document that lets a competent adult ("declarant") specify what health care the declarant wants or does not want when he or she becomes terminally ill or permanently unconscious and can no longer make his or her wishes known. It is NOT and does not replace a will, which is used to appoint an executor to manage a person's estate after death.

DEFINITIONS

Permanently unconscious state means an irreversible condition in which the patient is permanently unaware of himself or herself and surroundings. At least two physicians must examine the patient and agree that the patient has totally lost higher brain function and is unable to suffer or feel pain.

Principal means a competent adult who signs a Health Care Power of Attorney.

Terminal condition means an irreversible, incurable, and untreatable condition caused by disease, illness, or injury from which, to a reasonable degree of medical certainty as determined in accordance with reasonable medical standards by a principal's attending physician and one other physician who has examined the principal, both of the following apply: (1) there can be no recovery and (2) death is likely to occur within a relatively short time if life-sustaining treatment is not administered.

INSTRUCTIONS

No Expiration Date. This Living Will Declaration will have no expiration date. However, I may revoke it at any time.

Copies the Same as Original. Any person may rely on a copy of this document.

Out of State Application. I intend that this document be honored in any jurisdiction to the extent allowed by law.

If I am in a **TERMINAL CONDITION** and unable to make my own health care decisions, OR if I am in a **PERMANENTLY UNCONSCIOUS STATE** and there is no reasonable possibility that I will regain the capacity to make informed decisions, then I direct my physician to let me die naturally, providing me only with **comfort care**.

For the purpose of providing comfort care, I authorize my physician to:

1. Administer no life--sustaining treatment, including CPR;
2. Withhold or withdraw artificially or technologically supplied nutrition or hydration, provided that, if I am in a permanently unconscious state, I have authorized such withholding or withdrawal under Special Instructions below and the other conditions have been met;
3. Issue a DNR Order; and
4. Take no action to postpone my death, providing me with only the care necessary to make me comfortable and to relieve pain.

Special Instructions.

By placing my initials, signature, check or other mark on this line, I specifically authorize my physician to withhold, or if treatment has commenced, to withdraw, consent to the provision of artificially or technologically supplied nutrition or hydration if I am in a permanently unconscious state AND my physician and at least one other physician who has examined me have determined, to a reasonable degree of medical certainty, that artificially or technologically supplied nutrition and hydration will not provide comfort to me or relieve my pain.
